

## LED DOWNLIGHT ALBA

Art. no. **50258303** | 50258310 | 50258311 | 50258323

### DIMMABLE WITH RF REMOTE

Every LED built-in spot will be delivered including a connector box (2m wires included). Please note that a separate driver is needed to install the built-in spot Alba.

Combined with the 12V LED transformer 30W and LED dimmer CC 700 5ZD, it is possible to dim and switch 4 LED built-in spots wireless. It is also not a problem to control more spots. Just use an extra set of transformer and dimmer! Multiple dimmers can be connected to the same remote, so for 8 spots, 2 transformers, 2 dimmers and one remote are needed. Please note that every dimmer needs its own transformer.

### PRODUCT COMBINATION

- LED transformator 12V 2.5A Max. 30W Art. no. 50089215
- LED dimmer CC 700 5ZD Art. no. 50208670
